

## General Guideline to Work for Making/Developing Assignment/Project for TTH 2010

1. Participants will work on a specific topic to give write up/ paper on it or to develop design or software on it.
2. The topic can be selected by the participants or he/she can choose one from the list of topics given by TTH judge's panel.
3. Each participant has to choose or nominate a supervisor for their work. Supervisor can be from academia or industry. Preferably Supervisor will have previous work or experience on the selected topic. Supervisor will be honored at all steps of competition and he/she also will get the credit of the project. If the project paper/design/software be published or presented somewhere the Supervisor's name will be given with.
4. The selected topic & related plan of the participants should be given to the TTH organizing committee for their approval. The plan should be within one A4 size page (Times New Roman, Size 12 , Double spaced ). The plan has to be signed by the supervisor. A signed copy of this guideline has to be submitted with the plan.
5. Participants have to approve the plan with in September 23 and start their work from September 30, 2010.
6. In the submitted article, no person/institute/organizations interest and name should be affected. Recommendations, comments or statements must not harm Bangladesh Government or any other Governments and non Government bodies and their interest.
7. The work must be original. Any type of plagiarism and copying will cause automatic disqualification of the participants.
8. The paper should be submitted with both soft (text/pdf) and hard copy. The hard copy should be of Time New Roman, size 12, double spaced and well organized.
9. Participants have to prove the originality of their work when ever asked by the TTH judge panel.
10. All participants must take part all mandatory training and grooming sessions organized by the organizer.
11. In every aspect of the competition the organizer will bear all rights to take any disciplinary action.
12. All rights of the articles/design/ software submitted by the participants will be jointly with TTH organizer **Amin & Jahan Corporation** and the author. TTH organizer will bear copy right. The participants will not be allowed to use these materials without prior approval from the organizers.
13. No claims about the competition procedure, judgment process will be encouraged and considered from the participants.
14. Participants must site all references used and acknowledge the bodies from which help or support has been taken.
15. Eligible students with proper approval from the TTH organizing committee can participate in this part. The authority bears all right to disqualify any participants at any time without showing any reason.

I agree with all terms & guidelines of TTH 2010 & will follow these accordingly.
